I had a great time working with the yearbook class this year. They are very hardworking and always get the job done. This is an extraordinary group of students and I hope to be able to work with them again in the future. We hope you enjoy the yearbook, as we have worked diligently to create it!

-Mr. Jeremy Grubbs

Mrs. Catchie Crider

Catchie Crider graduated from Bay High in 1969. She came back to her alma mater in 1996 and she has been here ever since. While teaching at Bay High she has been band director for 15 years. Out of those years the band has gone to win State six times and recived all superior on 13 seperate occasions. Mrs. Crider is the best band director of all time and will be greatly missed!

I am so grateful to have chosen the profession that I have. I've loved every day for 34 years. No two days were ever alike. Just when you think you have it all figured out and you have seen or heard it all....you discover you haven't and then you have to figure out a way to face this new challenge.

I will never forget my years as "Director of Bands" at Bay High School and Bay-Waveland MIddle School. Thank you for the Memories! Best Wishes to all.

-Love, and Musically yours,
Ms. Catchie Crider

New Teacher Interviews

Megan Corr

Ms. Megan Corr, a 2004 Bay High graduate, joins the staff this year as the Freshmen English I teacher. Before joining the Bay High faculty, Ms. Corr attended Mississippi State University in Starkville, MS and worked as a Financial Analyst at Hancock Bank. Originally from Waveland, Ms. Corr came back to Bay High because she wants to "bring the same inspiration I had from my teachers when I attended Bay High." When asked what she loves most about being a Tiger, Ms.Corr stated, "The students are number one. They bring me a new outlook on life. What they overcome on a day to day basis is outstanding. The staff at Bay High is also very supportive. As a new teacher, I feel very welcome and appreciated."

Aaron Dunklin

Coach Aaron Dunklin, a Bay High graduate, joins the Bay High Staff this year as a Science Inclusion Coach and assistant Basketball coach. Before joining Bay High, Coach Dunklin attended Pearl River Community College and Charleston Southern University while working as a Fitness Specialist. Coach Dunklin came back to Bay High to "give back to the people who so graciously gave to me." When asked what he loves most about being a Tiger, Coach Dunklin responded, "The staffs' commitment to assist the students in reaching their maximum potential. The faculty members go above and beyond to get tasks accomplished."

Zack Ferry

Born and raised in Bay St. Louis, Mr. Zack Ferry comes to Bay High this year teaching both Algebra I and II, as well as serving as an assistant football coach. Before coming to the high school, Coach Ferry earned his B.A. from the University of Southern Mississippi and served as a Behavior Facilitator at Crossroads Learning Center and an Agility and Crossfit Trainer at E-Fitness and Wellness in Biloxi. When asked about his reasons for coming to Bay High and what he liked most about being a TIger, Coach Ferry said, "I decided to teach at Bay High because it is like a second home to me. I spent 6 years in this building in grades 7th-12th. What I love most about being a Tiger is the school spirit and pride that the students and faculty have for this school. I bleed blue and gold and would do anything to help this school achieve success both academically and athletically and I think that feeling is mutual between everyone at Bay High, which makes this a great place to work."

Tarah Herbert

A familiar face at Bay High , Mrs. Tarah Herbert officially joins the faculty this year as the new Graphic Designs teacher. Before this school year, Mrs.Herbert attended the University of Southern Mississippi and served as a student teacher at BHS during the 2010-2011 school year under Mr. Shannon Boles. From that experience, she noticed right away that this was the place for her. When asked about her favorite things at Bay High, Mrs. Herbert says, "The atmosphere is very friendly and positive. The students are well behaved and polite. When I was told there might be an opening for a teacher, I applied immediately. I love being a Tiger!"

Josh Garcia

As a first year teacher, Mr. Josh Garcia joins Bay High this year as a Special Education T.A. A graduate from Bay High in 2007 and the University of Southern Mississippi in 2011 where he studied Sport Coaching Education, choosing to come and work for Bay High was "a no brainer!" When asked about his Tiger Pride, Mr. Garcia says, "It is important to have that TIGER PRIDE if you're a part of this school. I've always had it and always will. You're guaranteed to see me whenever and wherever we play SSC on a Friday night. Go Tigers! Way to bring the Crab Trap back to where it belongs!"

Jeremy Grubbs

Mr. Jeremy Grubbs comes to the high school after serving the past three years as the English and Social Studies teacher at Crossroads Learning Center. He teaches English III, English IV, and is the Yearbook sponsor at Bay High. Before coming to the Bay-Waveland School district, Mr. Grubbs taught at both Pascagoula High School and Long Beach Middle School. Originally form Pontotoc,MS, Mr. Grubbs pursued his undergraduate and graduate studies at Ole Miss(Hotty Toddy!) and is currently enrolled in post-graduate studies at the University of Southern Mississippi. When asked about his Tiger Pride, Mr. Grubbs said, "Bay High is the only team I will ever scream "Geaux Tigers" for. I love and enjoy the school, community, and its people.

Heather Govia

Originally from Syracuse, New York, Mrs. Heather Govia comes to Bay High as the new Biology and Earth Science teacher. Before teaching, Mrs. Govia worked for Digital Opportunity Trust, a global technology non-profit organization that managed college students who were placed in public schools to help teachers integrate technology into their curriculum. She received her B.A. from LyMoyne College in Syracuse, NY and her MBA from the Flordia Institute of Technology. When asked what Mrs. Govia loves most about being a Tiger, Mrs. Govia responded, "The school spirit from the faculty and students alike and the support within the school."

Bradley Ladner

Coach Bradley Ladner has "been a Tiger all of his life and wouldn't have it any other way!" Before coming to Bay High to serve as an inclusion coach as well as football and baseball coach, Mr. Ladner went to Brighan Young University and graduated from the University of Southern Mississippi. He also worked for the Naval Meteorology and Oceanography Professional Development Center as a database manager. However, returning to his alma mater was always his goal. Bay High is happy to welcome back Coach Ladner!

Mark Planchard

Mr. Mark Planchard comes to Bay High this year as the English Inclusion Coach. Originally from New Orleans, Mr. Planchard has previously taught at Lewisburg Middle and High School in Desoto County, Mississippi. When Mr. Planchard moved back to the area, he wanted to come to Bay High because of all the wonderful things he had heard about the district. When asked about his favorite things of being a Tiger, Mr Planchard said, "Watching the students grow and learn and strive to meet their educational and life goals. It is wonderful being a part of that process."

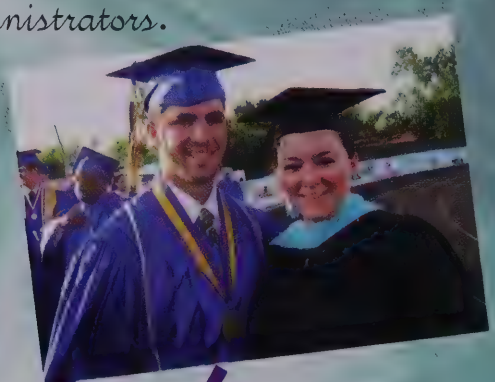
Delaina Pruett

Ms. Delaina Pruett, originally from Mobile, Alabama, comes to Bay High this year as the new Creative Writing, English IV, Public Speaking and Theatre teacher. Before Bay High, Ms. Pruett attended the University of Southern Mississippi and worked as a substitute teacher, waitress, and swimming pool attendant. She has also taken post graduate classes at the University of South Alabama for Secondary English Education. Ms. Pruett came to Bay High because of the inviting atmosphere and heard great things about the administration, teachers, and students. When asked about her favorite things from working at Bay High, Ms. Pruett says, "I love learing from my students about how to be cool in 2012. This year I finally learned what "swag" and "green" mean. I love the look in a student's eyes when they finally "realy get it" and I know that I am the reason why. I love watching the pride the students and teachers take i being a Bay High Tiger and I am exicted that I get to be included in that!"

Teacher of the Year

A 1995 graduate, Coach Kellie Smith returned to Bay High in 2007 to live out her dreams teaching and coaching volleyball at her alma mata. Coach Smith is an avid reader and always jokes that she is the epitome ofa bookworm. She loves to share her love of reading and enjoys finding that "one book" a student can not put down.

I feel very honored to be recognized as Bay High's Teacher of the year. I would like to thank our wonderful students who help me live out my dream everyday. I couldn't be mre blessed to work with such a wonderful group of teachers and administrators.



Kellie Smith.

Bay High's Juciest Secrets *secrets!*

I am currently dating my best friend's boyfriend.

I haven't worn a school shirt all year.

My boyfriend tickled me and I tooted.

Sometimes I play with my little sister's barbie dolls.

I have to sleep with a night light and teddy bear every night.

I know my boyfriend and best friend are together but I don't want to loose either of them.

I prank called my friend pretending that I was her boyfriend's new girlfriend and they broke up. Oh well.

I'm really adopted and my parents don't know that I know.

When I was five I won the Spelling Bee competition.

I am really a girl.

I am secretly in love with Clark Breland, Paul Johnson, and Brett Morreale.

I kissed my best friend's brother.

I have been dating my step-brother for 3 months.

I just found out I have a 2 month old daughter.

I have had an imaginary friend since I entered high school.

I steal from my moms purse.

I secretly like eating dog food.

I have been talking to my ex even though we both moved on.

Katie Mallini is so beautiful and she just thinks of me as a friend. I love her.

I lost my grandma's diamond wedding ring she passed down to me.

Life at Bay High!

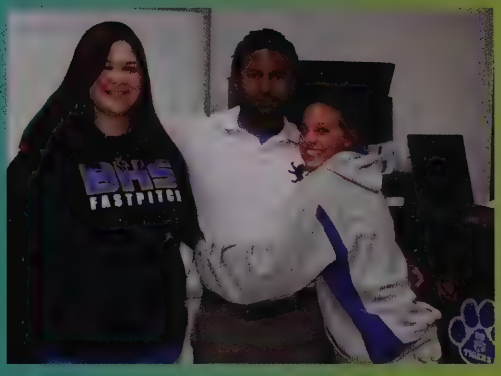
The coast is your home, but you can handle life outside of it. While you love crawfish and big trucks, you sometimes enjoy trying new things.

Mostly C's...

Whether they know you personally at Rickey's or at your favorite store in Edgewater, the coast is your home and is where ou love to be

How "Hood" are you?

Shhhh! Teachers won't notice!



There are those days when one just doesn't have enough time to get dressed in uniform and not be tardy for first block. This would be how we get away with it! Almost everyone is a little "hood" at Bay High School.

Richard, There was a time when you were so small we called you "Munchkin Dad" and felt so lucky to be your parents. As you grew into a boy you always gave us a reason to smile and have fun. Now as you become an adult we are amazed at your intelligence and caring nature. Dad and I being parents came easy, but only because you made it so. We don't doubt that you will accomplish anything you decide to do in life. We will always support everything you do. Not only are you our son and most important person in our lives, but you are also our best friend. We are so proud of you and always will be. We love you so much.

My brother Tyler, the last three years have been the best ones of my life, dude, from the first time we met at football. Man, look, I can't do all this sentimental stuff. You are yellow & I'm dark skinned. We just ain't gonna get along, but we try to from long long weekends to getting busted by mom. You have always been that one person who I can always depend on and that will always be there when I need someone. You have helped me out alot in the last 3 years, like from dressing black to talkng to girls and I appreciate it alot. You are my brother from another dude and even though we argue about many things, just remember we got mj so I will always love you, my brother!

Just the Bank for You!

This class has stuck together through the ups and downs. We have experienced state championships and close losses, awesome teachers leaving and new ones arriving, some getting their phones taken away and few others obeying the rules. We are going to miss running for gumbo day and NOT going to miss the days with no AC in the English hall. These past 4 years we gave 1 degree more, we went fishing, we smoved through high school and now that we are here we are finally crossing the line to graduate. Bay High will never be the same after these hall roamers are gone. Mrs. Pate can finally relax, Mr. Grubbs can take a personal day, Ms. Lathrop can be a junk food junkie without worrying if she has to share, and Dr. Parker will not have to worry about retiring. We have made many memories these last 4 years that we will never forget. They say the world ends in the year 2012, but it's not the end, it's just the beginning.
